Re: CPA recommendation

This letter is a personal and professional recommendation for CPA and John Pisarski.

Darnell Law Group ("DLG") is a 6 lawyer firm serving Langley and the Fraser Valley since May of 1995. DLG has used the services of CPA exclusively since 2015. We have also assisted CPA in various research roles as it relates to their independent files.

Among the many services we have initiated are:

1. Civil Investigations related to family, estate and civil matters;
2. Surveillance
3. Missing persons
4. In depth background checks
5. Installation of technical system installations, including CCTV and advanced building security
6. Personal security services for all the lawyers in our firm, including accompanying us to and from court and examinations for discovery on numerous occasions when dealing with high profile and/or high conflict individuals

In addition to the matters enumerated above, CPA also provides CCTV security services in the commercial building in which our offices are located and is on call 24/7 to address trespasses, breach of our security systems and to investigate property damage issues.

When assisting our clients, particularly, John and his entire staff, are professional, calm and are able to de-escalate matters to get the job done. Their presence adds a sense of safety and security that is extraordinary.

** denotes articulated student

John Pisarski and CPA are also involved in our local community. They are active members of the Chamber of Commerce, and they also contribute and attend many local charity events, such as the Langley Community Health and Hospital Foundation.

I highly recommend John Pisarski and CPA for any project you may have.

Yours truly,

DARNELL LAW GROUP
