TO WHOM IT MAY CONCERN

McConchie Law Corporation provides advice and litigation representation to domestic and international clients on matters of defamation.

Roger D. McConchie and Alan McConchie of this firm have represented either plaintiffs or defendants in many libel trials in the British Columbia Supreme Court.

In our trial practice, we frequently need the assistance of private investigators.

In this connection, we highly recommend CPA International Investigations Inc. headquartered in Langley City, BC. Their operatives, lead by John Pisarski, are superb at surveillance, relentless at investigation, and tenacious at locating and confronting opposing parties who try to evade the long arm of the law.

The CPA team's dedication to their profession is appropriately reflected in their solid strategic thinking. They have a talent for designing tactics which keep costs to the client reasonable and proportionate while achieving excellent results.

Sincerely,

McConchie Law Corporation
