Dear Mr. Pisarski:

I write to express my sincere thanks for the excellent work your company has done for the UBC Law Innocence Project. Since we began this program 5 years ago, we have used a number of private investigation companies but none have been as reliable and professional as CPA has been. You are now the first private investigation company we turn to when we have a new case or new issue that needs attention. It is always a pleasure to work with you and Heather and we have been truly impressed with the work of Steve Holotuk on the file to which he is assigned. I hope that we can continue to work together in the future and I have no doubt that your services will be instrumental in the success of our post-conviction reviews.

Thank you very much for your good work.

Sincerely,

Tamara Levy
